Dear

My trip to New York City was enjoyable and worthwhile. Senator Eagleton's speech, which I had helped to write, was well-received by the security analysts and was reported in most major newspapers. I might add that the city was even dirtier than I had remembered.

My expenditures were as follows:

airline tickets	\$68.74
lunch	2.00
taxi fare	<u>15.00</u>
Total	\$85.74

Thank you very much for all your help.

Sincerely yours,
